

# Dreamer (Brian Cross Remix)

## Soraya

It's just a feelin' comin' over me  
It don't matter where I'm headin see  
I got a fever that can't be broken  
I'm burnin' up with loveWhat is gonna be is gonna be, don't stop me now  
'Cause I'm a dreamer  
Had enough of your reality, don't mess with me  
'Cause I'm a dreamerWhoa, ah, oh  
Eo, eo  
Whoa, ah, oh  
Eo, eoDon't need a doctor, I got the remedy  
Got no illusion, I'm where I wanna be  
Yes, I'm a junkie, this magic potion  
Is burnin' up with love  
(Burnin' up, burnin' up)What is gonna be is gonna be, don't stop me now  
'Cause I'm a dreamer  
Had enough of your reality, don't mess with me  
'Cause I'm a dreamerWhat is gonna be is gonna be, don't stop me now  
'Cause I'm a dreamer  
Had enough of your reality, don't mess with me  
'Cause I'm a dreamerWhoa, ah, oh  
Eo, eo  
Whoa, ah, oh  
Eo, eoClose your eyes  
Breathe in  
Say goodbyeWhat is gonna be is gonna be, don't stop me now  
'Cause I'm a dreamer  
Had enough of your reality, don't mess with me  
'Cause I'm a dreamerWhat is gonna be is gonna be, don't stop me now  
'Cause I'm a dreamer  
Had enough of your reality, don't mess with me  
'Cause I'm a dreamer
