Headed For Destruction

Jackyl

Hello, everybody
Welcome to the show
We're headed for destruction
Don't you wanna go?It's time to romp and stomp
It's time to jam
It's time for you to kick some dirt
Up off the groundAre you out, are you in?
If you're in, are you for sure?
'Cause if you're in, you're in
And if you're out, you're out
And get your ass on out the doorSister, won't you help me?
Mother Mary, may I?
And then we'll do it againHeaded for destruction
Don't you wanna come along?
Say, Yeah, Yeah
Say, Hell, yeah, Hell, yeahHeaded for destruction
Don't you wanna get it on?
Say, Yeah, Yeah
Say, Hell, yeah, Hell, yeahRound number two
And we're back for more
I'm here to tell you, baby
Just what we got in storeIt's down to groove
When you're diggin' that sound
If you're hot, you're hot
If you're not, you're not
And you're not gonna hang aroundSister, won't you help me?
Mother Mary, may I?
And then we'll do it againHeaded for destruction
Don't you wanna come along?
Say, Yeah, Yeah
Say, Hell, yeah, Hell, yeahHeaded for destruction
