Blow My Fuse

Kix

Do it

Come on start a fire
In my electric chair
Baby cross my wires
Light up my hair
Overload my circuits
let me feel the juice
make me an offer
that I can't refuse

Blow my fuse
(Hey hey)You got nothing to lose
Blow my fuse
I need a good shot
I can't give it to you
On electric cruise(?)
Blow my fuse
You light my light I'll light you

Baby shake my tower
Get it while it's hot
Baby feel my power
Fifty thousand watts
Come on feel the voltage
Light thick and through
From the whites of my eyeballs
To the souls of my shoes

Blow my fuse
(Hey hey)You got nothing to lose
Blow my fuse
I need a good shot
I can't give it to you
On electric cruise(?)
Blow my fuse

Hot wired
Get fired
Ooo baby watch it glow

Give me action
Satisfaction
Babe I'm ready for an overload

Plug me in like electric light
It's a rock and roll show tonight

Blow my fuse
(Hey hey)You got nothing to lose
Blow my fuse
I need a good shot
I can't give it to you
Blow my fuse
(Hey hey)You got nothing to lose
Blow my fuse
I need a hot spark
I can't give it to you
Blow my fuse
Got nothing to lose
Blow my fuse
Can't give it to you
Blow my fuse
Got nothing to lose
Blow my fuse
Can't give it to you
Blow my fuse
