

# Defined

## Ronan Parke

### Verse 1

Too many words, Too many names.  
I'm too tired to play, in their selfish games  
I'm holding back, until they're gone..  
it's a feeling that, I've known for too long.Bridge  
and to the music, I close my eyes..  
just breathing, heart beating, I realiseChorus  
I can't and won't be defined, no no, I live my own life..  
I'm free.. to be, nothing but me... Yeah, I'm free.. to be..to be me

Verse 2

All of my life, All of these tears  
all of my dreams , and all of my fears  
I've had to learn to let them fall  
cause they don't own me at allBridge  
and to the music, I close my eyes..

just breathing, heart beating, I realizeChorus

I can't and won't be defined, no no, I live my own life..

I'm free.. to be, nothing but me... Yeah, I'm free.. to be..to be me

Middle 8 / (Break Down)  
Always gonna be, people tryna hate..  
cos their life isn't quite in a right place  
just walking, talking with no aims..

wasting time on meaningless games!Outro Chorus

I can't and won't be defined, no no, I live my own life..

I'm free.. to be, nothing but me... Yeah, I'm free.. to be..to be..

I can't and won't be defined, I live, ooh, my own life

I'm free..to be, nothing but me, yeah, I'm free, to be..to be me.
