Pieces

Kingdom Heirs

Pieces
My Life was a puzzle, Torn out of a box
Scattered about, turned upside down, broken and lost
but then the hands of Jesus
Created a picture of what I should be
He put me together, sealed me forever, and made me complete

He took the pieces, of a life that was broken
Put them together, I'm one of His chosen
He took the pieces, and put them in place
The sins of my past, have all been erased
My life was changed, when I met Jesus
He took the pieces

A master at work, two precious hands
He found me searching, and without a plan
It does not matter in what condition you come
You won't be the same when He gets done
Your life will change when you meet Jesus
Just bring Him the pieces.
