

Wake Up

Michelle Chamuel

Safe inside your world
Wrapped up in your bed
Replayed fantasies
Curled up in your head
Keep it at a distance and it's always out of reach
There's no where you can get to when you're walkin' in your sleep
So when you're ready Wake up, wake up, wake up, wake up
You can't have what you want if you don't know what you need
Wake up, wake up, wake up, wake up
'Cause you don't have what you got, if all you got is a dream
Wake up, wake up, wake up, wake up
You can't have what you want if you don't know what you need
Wake up, wake up, wake up, wake up
'Cause you don't have what you got, if all you got is a dream
Watched it come and go, lucid and surreal
Both your eyes are closed, but it looks so real
Now the sun is rising so that you can start to see
There's no where you can get to when you're walkin' in your sleep
So when you're ready Wake up, wake up, wake up, wake up
You can't have what you want if you don't know what you need
Wake up, wake up, wake up, wake up
'Cause you don't have what you got, if all you got is a dream
Wake up, wake up, wake up, wake up
You can't have what you want if you don't know what you need
Wake up, wake up, wake up, wake up
'Cause you don't have what you got, if all you got is a dream I think you're ready
I think you're ready
I think you're ready (when you're ready)
I think you're ready (when you're ready)
I think you're ready (when you're ready)
When you're ready
Oh Wake up, wake up, wake up, wake up
You can't have what you want if you don't know what you need
Wake up, wake up, wake up, wake up
'Cause you don't have what you got, if all you got is a dream
Wake up, wake up, wake up, wake up
You can't have what you want if you don't know what you need
Wake up, wake up, wake up, wake up (just wake up)
'Cause you don't have what you got, if all you got is a dream

Wake up, wake up, wake up, wake up (right now)

Oh

Wake up, wake up, wake up, wake up (just once)Just wake up...
