

# The Deep (Instrumental)

## Michael Schulte

Come down the hill,  
Feel and follow the wind.  
Cause now our time has come,  
It's calling to begin.CHORUS  
Come to the deep now,  
Do you see through the open sea?  
Come to the deep now,  
Do you see through the open sea?Come, take my hand.  
I'm going down on my broken knees.  
The holy door will suffer from pain  
And open up for a new way.CHORUS  
Come to the deep now  
Come to the deep now  
I will not give up  
I will not give in  
Ohh, it's time to leave this place behind and run  
Ohh, run  
I will not give up  
I will not give in  
Let's run before the demons crave our souls  
Ohh, our souls  
CHORUS
