

# Flying Without Wings

**Ruben Studdard**

Everybody's looking for that something  
One thing that makes it all complete  
You'll find it in the strangest places  
Places you never knew it could be  
Some find it in the faces of their children  
Some find it in their lover's eyes  
Who can deny the joy it brings  
When you've found that special thing  
You're flying with out wings  
Some find it in sharing every morning  
Some in their solitary lives  
You'll find it in the words of others  
A simple line can make you laugh or cry  
You'll find it in the deepest friendship  
The kind you cherish all your life  
And when you know how much that means  
You've found that special thing  
You're flying without wings  
So, impossible as it may seem  
You've got to fight for every dream  
Cause who's to know which one you let go  
Would have made you complete  
Well, for me it's waking up beside you  
To watch the sunlight on your face  
To know that I can say I love you  
In any given time or place  
It's the little things that only I know  
Those are the things that make you mine  
And it's the flying without wings  
Cause you're my special thing  
I'm flying without wings  
And you're the place my life begins  
And you'll be where it ends  
I'm flying without wings  
And that's the joy you bring  
I'm flying without wings
