## Fever Ray

He came back one day and  
Told me stories that I now dream of  
(Oh, oh, oh, oh)Open atmosphere  
Take me anywhere  
Take me there  
(Oh, oh, oh, oh)We have water mouth  
Sand in pockets and a strained household  
(Oh, oh, oh, oh)When the night falls  
There is fire in the bungalowLay back with a big cigar  
Lay back we are where we are  
Lay back with a big cigar  
Lay back this is where we are
