

I've Been Loving You Too Long

[Marc Broussard](#)

I've been loving you too long
To stop now You were tired and you wanted to be free
My love is growing stronger
As you became a habit to me Yeah, I've been loving you a bit too long
I don't wanna stop now With you my life has been so wonderful
I can't stop now You were tired and your love was growing cold
My love was growing stronger
As our affair, affair grows old And I've been loving you just a little too long
Lord, I can't stop now, no, no I've been loving you just a little too long
I don't wanna stop now, no no no, no no I've been loving you, oh, ooh
I've been loving you, ah babe
Oh, oh, I've been loving you
