

Overtime

Patty Loveless

Score is tied between us
In this lovin' game
I hear you say you're leavin'
But I think you will stay
I'm doin' everything I can
To try and change your mind
'Cause baby, we can leave it here
We're goin' on overtime
Goin' on overtime, goin' on overtime
Goin' on overtime
Goin' on overtime, goin' on overtime
Baby, take leavin' off your mind
We're goin' on overtime
Now both of us are winners
Our love just can't lose
Don't look for your hat
An' don't look for your coat
Don't worry 'bout your shoes
Lay back here in my lovin' arms
Get leavin' off your mind

Love just crossed the fifty yard line
We're goin' on overtime
Goin' on overtime, goin' on overtime
Goin' on overtime
Goin' on overtime, goin' on overtime
Baby, take leavin' off your mind
We're goin' on overtime
Stay with me, baby
Stay with me a while
Stay with me, baby
Say it with your smile
Goin' on overtime, goin' on overtime
Goin' on overtime
Goin' on overtime, goin' on overtime
I'm gonna love you out of your mind
We're goin' on overtime
Oh baby, take leavin' off your mind
We're goin' on overtime
