

Tom Cat

Muddy Waters

Yeah you know i'm a tomcat and you's my kitten
And i'm scratchin' around in your windowpane
Yeeeeeeeah you know i'm a tomcat and you's my kitten
And i've been scratchin' around in your windowpane
Let me in let me in baby
So i can feel good all over again
Yeah you know i'm a tomcat and you's my kitten
And im just sitting here licking my paws
Yeeeeeeeah you know i'm a tomcat and you's my kitten
And im just sitting here licking my paws
Well you know (young girl im dreamin? inaudible..)
I wanna strike you back with my claw
Yeah you know i'm a tomcat and you's my kitten
And i want you like a hoopin owl.
Yeah you know i'm a tomcat and you's my kitten
And i just want you like a hoopin owl
Yeah you gon be sleepin when i'm creepin
When i make my midnight pounce
Yeah you know i'm a tomcat and you's my kitten
Im gonna bite you with my fang
Yeeeah yousatomcatlilkitten
Im gonna bite you with my fang
Im gonna (excite?) you little girl
And make you feel good all over again
Im gonna bite you with my fang
Yeah ya know yous gon my lil kitten
Im gonna get even you one day
Yeah you know yous my little kitten
Gonna catch up with you one day
Yeah you know im gonna get you girl
Im gonna get you to go my way
