Don't Hold Anything Back

Communions

You can either pick me up
or lay me down
You can throw me out
or stick aroundYou can be my only one
with the way that you shine
you gotta tell me you're mine
you gotta tell me you're mineYou can let me go
and run away
or you can take me back
to the town you stay
You can be my only one
with the way that you shine
you gotta tell me you're mine
you gotta tell me you're mineSomethings saying: don't hold anything back
even though you feel your mind going off the tracks
every time I'm lost, I here you calling my name
oh why wouldn't you tell me, you feel the sameI can go on and on, it doesn't matter to me
I'm gonna find a way to make you see:You could be the only one
with the way that you shine
you gotta tell me you're mine
you gotta tell me you're mineSomethings saying: don't hold anything back
even though you feel your mind going off the tracks
every time I'm lost, I here you calling my name
oh why wouldn't you tell me, you feel the same
Yeah, yeah, yeah
I just keep saying
yeah, yeah, yeahDon't hold anything back!Don't hold anything back!
