

FortyFive

Bootstraps

Forty-five is slower
when it spins on our recorder
and before they all come over
my oh myShook as the wheel spun,
lost from everyone,
they dont know where we come from
where we come from
forty-five is slower
with grooves that skip over,
every word ya heard before,
my oh my
Cause our hot blood,
bound by wonderlust
still don't know where we come from
where we come from
my my oh my...
oh oh...
my oh my....
