Everlasting Change

Arid

It's a beautiful day to rest your soul
If you cannot girl
It will not let you go I
Have to strain every word just the same
It's a beautiful day
If you think so cause I still
Have no place left to go I am
Hanging in
Caught up in its swirling winds
And I hope you change your mind again
You wade right through me
Love undo me from
This everlasting change
Is swarming in my brain
It's taking over, it's drawing closer
It's a beautiful day to rest your soul
If you cannot girl
It will not let you go I
I am alright roaming into the
Wondrous night
It's a beautiful day if you think so
Cause I still have no place left to go
I am falling from
Everything that you're hanging
On to
I hope you change your mind again
You wade right through me
Love undo me from
This everlasting change
Left swarming in my brain
It's taking over, It's drawing closer girl
This change has come to change
Set our to rearrange
It's taking over, it's drawing closer
I am just going through the motions
Baby
You know I am just pretending to be
And that's all I have to do to make her wild
Got her come running right back at

Me oh girl
This everlasting change
Is swarming in my brain
It's taking over, it's drawing closer
Girl
Is it everything you want?
Is it everything you haunt?
Or are you feeling lonely?
Is it all you're hoping for?
