

If She Breaks Your Heart (feat. Zo! & Yahzarah)

The Foreign Exchange

My love is gone with yesterday, my love is gone
With yesterdayWe had a love for all seasons
At least that's how it used to be
There was no time, space, or reason
More special to us than we
My love continued to flourish
As a flower blooms in spring
Then you tried to play love for silly
But the loser is the fool who doesn't play
Love by the rulesIf she breaks your heart
I will send a robin to sing happy tunes for you
Cause I may not be around to do the things
I used to do
And if you awake to find you're lost
I will send a glad star to lead you on your way
Cause the love I felt inside
Has gone away with yesterdayMy love is gone with yesterday, my love is gone
With yesterdayThere was a time when forever
Was common-place for me and you
Laughing, loving, sharing, caring
Seemed to be made just for us two
But I kept on building the dream world
That I thought was you and I
Sorry, I'm sadly mistaken
Cause our castle in the sky
Has turned into a mere goodbyeIf she breaks your heart
I will send a robin to sing happy tunes for you
Cause I may not be around to do the things
I used to do
And if you awake to find you're lost
I will send a glad star to lead you on your wayCause the love I felt inside
Has gone away with yesterday
[Repeat]Love is gone away with yesterday
[Repeat]
