

Looking In The Future

Hawkwind

Lives of great men all remind us
We may make our lives sublime
And so departing leave behind us
 Footprints in the sands of time
And with the writing I will show you
 Looking in the days beyond recall
As I lecture back with the spirits of the other timeI'm living in the future
 I'm looking in the future
I'm living in the futureNot a sound was heard
 No call came from the bird
 Only the carpet of green
 From towering trees was seen
 Where have they all gone
Why was there no songI'm living in the future
 Looking at the past
