How She Is Blessed

The Maltfriscans

Do you know? I've fallen in love, this time completely
And this time I know it's with God
His eyes are like pools of purest water and his face
Shines like the sun

So I give thanks for the name which cannot be spoken,
For her heart is open to all
And should you know of the one whom I am singing
Then I'm sure that you will know
How she is blessed
How she is blessed

And a river of tears, I cried so lonely
But now my fears are gone
For all along, she was holding me so quietly
When I thought that all was lost

So I give thanks for the name which cannot be spoken,
For her heart is open to all
And should you know of the one whom I am singing
Then I'm sure that you will know
How she is blessed
How she is blessed

So I offer you, Lord, my heart so broken
Tears often are my food
I thank you, Lord, for my very dearest mother;
The flower whose prayers keep me whole,
Keep me whole
Keep me whole

So I give thanks for the name which cannot be spoken,
For her heart is open to all
And should you know of the one whom I am singing
Then I'm sure that you will know
How she is blessed
How she is blessed
How she is blessed
How she is blessed

How she is blessed
