Peaches

In the Valley Below

I've been working on my knees baby it's alright
Everybody got disease maybe it's alrightYou can steal from me baby that's just fine
You can say it's free baby that's alrightWorking on a feeling
Breaking down the ceiling
Digging up a deep end
Freezing on the beaches
Reaching for the sweetest, sweetest peachesWe won't live too long
So let's love for one song
The lion won't lay down
When the holy man's in townYou've been drinking all week baby that's alright
You've been stepping on me baby it's alrightYou've been tearing me apart in the dead of night
I'll be raising my hands when the lighting strikesWorking on a feeling
Breaking down the ceiling
Digging up a deep end
Freezing on the beaches
Reaching for the sweetest, sweetest peachesWe won't live too long
So let's love for one song
The lion won't lay down
When the holy man's in townWorking on a feeling
Breaking down the ceiling
Digging up a deep end
Freezing on the beaches
Reaching for the sweetest, sweetest peachesWe won't live too long
So let's love for one song
The lion won't lay down
When the holy man's in townWorking on a feeling
Breaking down the ceiling
Digging up a deep end
Freezing on the beaches
Reaching for the sweetest, sweetest peaches
