

Peaches

In the Valley Below

I've been working on my knees baby it's alright
Everybody got disease maybe it's alright You can steal from me baby that's just fine
You can say it's free baby that's alright Working on a feeling

 Breaking down the ceiling
 Digging up a deep end
 Freezing on the beaches

Reaching for the sweetest, sweetest peaches We won't live too long
 So let's love for one song
 The lion won't lay down

When the holy man's in town You've been drinking all week baby that's alright
You've been stepping on me baby it's alright You've been tearing me apart in the dead of night
I'll be raising my hands when the lighting strikes Working on a feeling

 Breaking down the ceiling
 Digging up a deep end
 Freezing on the beaches

Reaching for the sweetest, sweetest peaches We won't live too long
 So let's love for one song
 The lion won't lay down

When the holy man's in town Working on a feeling
 Breaking down the ceiling
 Digging up a deep end
 Freezing on the beaches

Reaching for the sweetest, sweetest peaches We won't live too long
 So let's love for one song
 The lion won't lay down

When the holy man's in town Working on a feeling
 Breaking down the ceiling
 Digging up a deep end
 Freezing on the beaches
Reaching for the sweetest, sweetest peaches
