

Abide with Me (Radio Version)

Matt Maher

I have a home, eternal home
But for now, I walk this broken world
You walked it first, you know our pain
But you show hope can rise again up from the grave Abide with me, Abide with me
Don't let me fell and don't let go
Walk with me, and never leave
Ever close, God abide with me There in the night
Before the cross, before the nails
overwhelmed, alone you prayed
your medicine and suffering you bore our shame Abide with me, Abide with me
Don't let me fell and don't let go
Walk with me, and never leave
Ever close, God abide with me
