

What I Had With You

[John Conlee](#)

All I want Is What I Had With You All I want is what I had with you.

What I just can't find with someone new.

I've tried other loves but they won't do.

All I want is what I had with you. (Chorus)

Lookin' back in time I see yesterday

when I held the whole world and let it slip away.

Changing times and strange new loves just leave me blue

All I want is what I had with you.

Lookin' back in time I see yesterday.

When I held the whole world and let it slip away.

Changin' time sand strange new loves just leave me blue.

All I want is what I had with you.
