Downtown

The Sheepdogs

Come outside, my sweet baby
Break those plans, don't say maybe
It's good to feel alive
And waste away your time
Close your eyes, my sweet baby
It's a crazy time, it won't change me
Try to understand
I'm a complicated man
A diamond in your hand, tonight.
Downtown, what's that sound?
A million people runnin' all around
Hey, _____ keep it black
I keep all my money in a paper bag
Tonight's the night, come on baby
Wonder why you cant save me
Try to understand
I'm a complicated man
A diamond in your hand, tonight.
Downtown, what's that sound?
A million people runnin' all around
Hey, _____ keep it black
I keep all my money in a paper bag
Try to understand
I'm a complicated man
A diamond in your hand, tonight.
Downtown, what's that sound?
A million people runnin' all around
Hey, _____ keep it black
I keep all my money in a paper bag
