

# Catch Me If You Can (Live Version)

## Walking On Cars

Catch me if you can  
Catch me if you can  
I just got my head down  
And I'm a little bit scared tonight  
I need to run just far enough  
So I can smile again, smile again  
So I can smile again  
Take me by the hand  
Take me by the hand  
But don't you get too close now  
'cause I'm a little bit scared of life  
I need someone to try and bring  
Me back to innocence, innocence  
Me back to innocence  
Heads up, show down  
Come home with me  
Heads up, show down  
Come home with me  
Heads up, show down  
Come home with me  
Heads up, show down  
Come home with me  
'cause I'm a little bit scared  
I'm a little bit scared tonight  
Catch me if you can  
Catch me if you can  
A stranger walks beside you  
And we're just lovers for the night  
And when the sun comes up you wake and just  
And leave it there, leave it there  
Yeah we can leave it there  
Take me by the hand  
Take me by the hand  
But please don't want to know me  
'cause I'm a little bit scared of life  
And from the bull is all you need  
To know, so play pretend, play pretend  
Oh won't you play pretend?  
Heads up, show down  
Come home with me  
Heads up, show down  
Come home with me

Heads up, show down  
Come home with me  
Heads up, show down  
Come home with me  
Catch me if you can  
Catch me if you can  
Catch me if you can  
Catch me if you can
