Lamb

If I should die this very moment, I wouldn't fear
For I've never known completeness like being here
Wrapped in the warmth of you, loving every breath of you
Still my heart this moment, oh it might burstCould we stay right here till the end of time
Until the earth stops turning
Wanna love you until the seas run dry
I've found the one I've waited forAll this time I've loved you and never known your face
All this time I've missed you and searched this human race
Here is true peace here my heart knows calm
Safe in your soul bathed in your sighsWanna stay right here till the end of time
Till the earth stops turning
Gonna love you until the seas run dry
I've found the one I've waited for, the one I've waited forAll I've known, all I've done
All I've felt was leading to this
All I've known, all I've done
All I've felt was leading to thisWanna stay right here
Till the end of time till the earth stops turning
Gonna love you till the seas run dry
I've found the one I've waited for, the one I've waited forWanna stay right here
Till the end of time, till the earth stops turning
Gonna love you till the seas run dry
I've found the one I've been waited for, the one I've waited forThe one I've waited for
