

Intuition

Natalie Imbruglia

Everybody's been in my face
Tellin' me I gotta make a change
All I ever hear day and night is
You better hurry up and get a life
I need some direction
'Cause the clock is tickin' away
Then a friend of a friend of mine says
I've really been on his mind and
Wants to go out and check out
What the feelin's about
Says we have a deep connection
Haa, aaa
Well it sure is news to me
All I can say
Is intuition tells me, how to live my day
Intuition tells me, when to walk away
Could have turned left
Could have turned right
But I ended up here bang
In the middle of real life
Then another one always says
She'd do anything to get ahead
She doesn't care if she has to scratch
And claw to get in the door
She wants her fifteen minutes of fame
And twenty would be nice
But I guess it's her life
Intuition tells me, when I'm doin' fine
Intuition tells me, when to draw the line
Could have turned left
Could have turned right
But I ended up here bang
In the middle of real life
Should have turned left

But I turned right
And I ended up here
And I feel alright
You make it hard for me

Can't find the real you
You really think that I can't see
What it is, that you trying to do?
Too, too, too, roo, too, roo
Taa, raa, taa, raa, taa
Too, too, too, roo, too, roo
Taa, raa, taa, raa, taa
Waa, ooo
Naa, naa, naa, naa, naa, naa, naa
Naa, naa, naa, naa, naa, naa, naa
And all I can say
Is Intuition tells me, how to live my day
Intuition tells me, when you walk away
Could have turned left
Could have turned right
But I ended up here bang
In the middle of real life
Should have turned left
But I turned right
But I ended up here
And feel alright
I feel alright
I feel alright
I feel alright
I feel alright
'Cause I feel alright
I feel alright
'Cause I feel alright
Eww
