

I'm Gonna Get You

Derek Ryan

I'm Gonna Get You
Derek Ryan

I hope you like the way I talk
The way I smile the way I walk
I hope your in to how a dress
The way I think and all the rest
Cause I'm gonna get you
You're gonna love me
No doubt about it
I'm gonna get you
When you're drifting off to sleep
Close your eyes and think of me
Make it easy on yourself
Don't dream about nobody else
Cause I'm gonna get you
You're gonna love me
No doubt about it
I'm gonna get you(yes I am)
You can run and you can hide
But in the end you'll realize
You've been running right to me
Turn around and there I'll be
Cause I'm gonna get you
You're gonna love me
No doubt about it
I'm gonna get you
It ain't a matter of chance
Oh honey it's destiny
Ain't no getting away
Its just the way its gonna be, oh
Cause I'm gonna get you
You're gonna love me
No doubt about it
I'm gonna get you
Yeah, cause I'm gonna get you
You're gonna love me
No doubt about it

I'm gonna get you
