Anytime, Anywhere

S Club Juniors

Do do do do do do
Do do do do do do

I know, life sometimes can spin your head around.

Don't let the world get on top of you, turning you up-side down.

Better days are coming, just remember one thing,

Whenever you are, near or far, you know you're never alone.

(Ooooh) Anytime, Anywhere
(Ooooh) You can call on me,
And I'll be there,
Someone you can rely on, (Can rely on)
Be a shoulder you can cry on, (You can cry on)
(Ooooh) Anytime, Anywhere,
(Ooooh) You can trust in me,
I'm always there,
To give you all my lovin', (All my lovin')
Say the word I will come runnin' (I'll come runnin')
Anytime you need me to, I'll be there for you.

Do, do, do, do, do, do, Do, do, do, do, do, do.

Sometimes, can't see the light, 'Tho its shinin' all around.

It's alriht the future is bright, and the walls will come tumbling down.

Better days are coming, just remember one thing,

Whever you are, near or far, you know you're never alone.

(Ooooh) Anytime, Anywhere
(Ooooh) You can call on me,
And I'll be there,
Someone you can rely on, (Can rely on)
Be a shoulder you can cry on, (You can cry on)
(Ooooh) Anytime, Anywhere,
(Ooooh) You can trust in me,

I'm always there,
To give you all my lovin', (All my lovin')
Say the word I will come runnin' (I'll come runnin')
Anytime you need me to, I'll be there for you.

Do, do, do, do, do, do, Do, do, do, do, do, do.

Anytime, Anywhere, say the word I'll be there, I'll be your light be your friend, I'll be there 'till the end.

Anyitime, Anywhere, say the word I'll be there,(You know I'll be there)
I'll be your light be your friend, I'll be there 'till the end. (And I'm there for you)

(Ooooh) Anytime, Anywhere
(Ooooh) You can call on me,
And I'll be there,
Someone you can rely on, (Can rely on)
Be a shoulder you can cry on, (You can cry on)
(Ooooh) Anytime, Anywhere,
(Ooooh) You can trust in me,
I'm always there,
To give you all my lovin', (All my lovin')
Say the word I will come runnin' (I'll come runnin')
Anytime you need me to, I'll be there for you.

Anytime, Anywhere, say the word I'll be there, I'll be your light be your friend, I'll be there 'till the end,
Anytime, Anywhere, say the word I'll be there, I'll be your light be your friend, I'll be there 'till the end.
