

Keep The Flame Burning

HammerFall

Standing at the crossroads where the future meets the past
Oh, can't you feel there's magic in the air
We're noble knights and mighty men, with the power to assay
Faithful and true, let our deeds show you the wayGlorious, we live and we die
Our courage will uniteIn our hands we hold the future, carry on
In our hearts eternally, we keep the flame burningHear the sound of roaring thunder
And the sound of raging steel
In the battle of thrust
Our spirits will revealGlorious, we'd rather die
With honor than to live with shameIn our hands we hold the future, carry on
In our hearts eternally, we keep the flame
Burning deep inside forever, shining on
And in our hearts for all eternity, we keep the flame burningWe stay as we are
Now the first crusade is won
Let it be written
Let it be doneIn our hands we hold the future, carry on
In our hearts eternally, we keep the flame
Burning deep inside forever, shining on
And in our hearts for all eternity, we keep the flame burning
