

Remarkable (feat. Terry Dexter)

Jaheim

You know I want to spend my life with you
I want to spend my life with you
So remarkable I never quite told you babe how much you meant to me
From first sight, that first sight, I knew instantly
(Instantly)
That you'd be the one for me
Deep down in my heart babe
(Heart babe, oh yeah) Iceberg fittin' wallabies, sit by me real casually
Asked you if you'd like a drink and said you'd offer one to me
Got the number to the crib, cell, job
Couldn't believe you'd even talk to me
Now all I can tell you, ooh Your love is so remarkable
(Ooh)
Everything 'bout you from head to toe
(Head to toe) Baby, you're just so incredible
(Incredible)
I just had to let you know
(No, no, no, no, no) Your love is so remarkable
(Ooh)
And I never want to let you go
(No, no, never let you go) If you left, I'd be so miserable
(Ooh, yeah)
You're good for my heart, my mind, my soul
You make me whole Girl I know I don't put you threw some thangs
And I love you more each day
And that ain't never gon' change
(No, no)
If you ever left me, nothing would remain You're part of me
No, you're all of me
Girl, I'm on my knees
Holding this here ring
(This here ring) I'm begging please spend your life with me
(Yeah)
'Cause all I'll ever need to survive
Is right here in my life
(Sweet as your love is) Your love is so remarkable
(Girl you know, girl you know)
Everything 'bout you from head to toe
(Head to toe) Baby girl you're just so incredible

(So, so)
I just had to let you know
Your love is so remarkable
I never want to let you go If you left, I'd be so miserable
(You are)
You're good for my heart, my mind, my soul
You make me whole There's always sunshine when you're around
It's like my feet don't even touch the ground
(Ooh)
How my heart begins to pound
On my knee I will go down Grab your head and tell you now
You will always be all that I'll ever need
Much more than my baby
You're an angel heaven sent to me Once was mine, but now it seems
Never let your love get away with me
Will you marry me? Your love is so remarkable
Everything 'bout you from head to toe
Baby, you're just so incredible
I just had to let you know Your love is so remarkable
I never want to let you go
If you left, I'd be so miserable
You're good for my heart, my mind, my soul
You make me whole Ooh, your love is so remarkable
Everything 'bout you from head to toe
(Girl I wanna spend my life with you)
Baby girl, you're so incredible
(Ooh) Girl, you're so incredible
I had to let you know
(I had)
Your love is so remarkable
(It's something about you baby) I never want to let you go
(Never)
If you left, I'd be so miserable
(Oh)
Your good for my heart, my mind, my soul
You make me whole Your love is so remarkable
Everything about you from head to toe
(From head to toe)
Baby girl you're so incredible
(Girl, you're so incredible) I just had to let know
(I, I just had let you know)
Your love is so remarkable
(A little pleasure too) I never want to let you go
(Ain't enough cheddar in this world that I wouldn't spend on you)
If you left I'd be so miserable

(Tell me, tell me about it)
You're good for my heart, my mind , my soul
You make me whole[Unverified]
