

For Your Love

Jessica Simpson

You are every part of me and with every breath I take
Your love will light my way
And for every day I live, the promise that I made
Is I will never let you go I swear I never knew love like this before
And for everything you are
I gotta make you know
For your love And I'd give anything for your love
'Cause baby I'd never make it alone
And forever I'll stand by your side
I just gotta make you see, yeah
I only live for your love When I was running out of faith, you still believed in me, yeah
And never let me fall
And the times I lost my way, you're the one who held me up
And brought me through it all, yeah I swear I never saw it like this before
'Cause baby with your love you gave me
The reason to go on
And for your love And I'd give anything for your love
'Cause baby I'd never make it alone
And forever I'll stand by your side
I just gotta make you see, yeah
I only live for your love, oh yeah And everything I am and all that I could be
Would mean nothing now if you're not with me
Shinin' your light on me when night is closin' in, oh
When I was weak, you were the one who made me strong
You gave me faith to carry on And I'd give anything for your love
'Cause baby I'd never make it alone
And forever I'll stand by your side
I just gotta make you see, yeah
I only live for your love, only sing for your love
Only live for your love And I'd give anything for your love
'Cause baby I'd never make it alone
And forever I'll stand by your side
