Stardust

Hoagy Carmichael

Sometimes I wonder why I spend
The lonely nights dreaming of a song
The melody haunts my reverie
And I am once again with youWhen our love was new
And each kiss an inspiration
Ah but that was long ago
Now my consolation is in the stardust of a songBeside the garden wall
When stars are bright, you are in my arms
The nightingale tells his fairy tale
Of paradise where roses grewThough I dream in vain
In my heart it will remain
My stardust melody
The memory of love's refrain
