Sometimes

Mint Condition

I think that she like me, sometimes I don't think so
I feel like she needs me, sometimes I just don't know
I thought we were gonna get to go to bed
But she woke me up out of my dreams
She's keeps playing with my damn head
The things that she pulls, I just can't believe
Won't you spend the night, stop playin' with me?
Give me one chance, I'll make you never leave
Sometimes she wants to see me, other times I'm not sure
Sometimes she lets me kiss her, the next minute she's cold
If you ever let me touch ya
I know you'll let me touch ya more than twice
Baby be sure you'll wanna let me do it
Filling me would be the best thing in your life
I got some things that can make you see
I got some things make you wanna be with me
I got some shake that can make you right
I got some things baby, come on tonight
Won't you spend the night, stop playin' with me?
Give me one chance, I'll make you never leave
Won't you spend the night, stop playin' with me?
Give me one chance, I'll make you never leave
Won't you spend the night? Won't you spend the night?
Won't you spend the night? Won't you spend the night?
