

# Old Friends

**Barry Manilow**

Hey, old friends  
Are you okay, old friends  
What do you say, old friends  
Are we or are we unique Time goes by  
Everything else keeps changing  
You and I  
We get continued next week Most friends fade  
Or they don't make the grade  
New ones are quickly made  
And in a pinch, sure they'll do But us old friends  
What's to discuss, old friends  
Here's to us, who's like us  
Damn few
