

Just One Smile

Dusty Springfield

Can't I cry a little bit?
There's nobody to notice it
Can't I cry if I want to?
No one cares Why can't I pretend
That you'll love me again?
All I had has been taken from me
Now I cry tears that never become me Just one smile, the pain's forgiven
Just one kiss, the hurt's all gone
Just one smile to make my life worth living
A little dream to build my world upon How I wish I could say
All the things I want to say
If some way, you could see what's in my heart
Oh, baby I don't ask for much
A look, a smile, a touch try to forget
Lord knows, I'm trying it's so hard to forget
When your whole world you know is dying Just one smile, the pain's forgiven
Just one kiss, the hurt's all gone
Just one smile to make my life worth living
A little dream to build my world upon Just one smile, pain's forgiven
Just one kiss, hurt's all gone
Just one smile to make my life worth living
A little dream to build my world upon
Just one smile
