

In Between (Live from Paris, 2008)

LINKIN PARK

Let me apologize to begin with
Let me apologize for what I'm about to say
But trying to be genuine was harder than it seemed
And somehow I got caught up in betweenLet me apologize to begin with
Let me apologize for what I'm about to say
But trying to be someone else was harder than it seemed
And somehow I got caught up in betweenBetween my pride and my promise
Between my lies and how the truth gets in the way
The things I want to say to you get lost before they come
The only thing that's worse than one is noneLet me apologize to begin with
Let me apologize for what I'm about to say
But trying to regain your trust was harder than it seemed
And somehow I got caught up in betweenBetween my pride and my promise
Between my lies and how the truth gets in the way
The things I want to say to you get lost before they come
The only thing that's worse than one is noneThe only thing that's worse than one is noneAnd I cannot explain to
you
In anything I say, or do, or plan
Fear is not afraid of you
Guilt's a language you can understand
I cannot explain to you in anything I say or do
I hope the actions speak the words they canFor my pride and my promise
For my lies and how the truth gets in the way
The things I want to say to you get lost before they come
The only thing that's worse than one is...
For my pride and my promise
Between my lies and how the truth gets in the way
The things I want to say to you get lost before they come
The only thing that's worse than one is none
The only thing that's worse than one is none
The only thing that's worse than one is none
