

Surrender to Me (Ann Wilson and Robin Zander)

Heart

Is it that we've been together much too long
The answer may not be in black and white
We're always trying to prove who's right or wrong
Yet now we're giving up without a fight
But I know when you're gone
I'll wish I'd held in So baby surrender to me
There'll be no holding back now
So baby surrender to me tonight I don't want our love to cause you so much pain
If this is how it's going to be, I'll walk away
Neither one of us should ever say goodbye
Let's forget about the past and who's to blame
'Cause when this is all gone
We'll wish we'd held on So baby surrender to me
There'll be no holding back now
So baby surrender to me tonight How could this love be in danger?
That used to be so good, so right
To think that fate could make us strangers
Has thrown me in your arms tonight So baby surrender to me
There'll be no holding back now
So baby surrender to me tonight
