

Imn

Mudvayne

Suicide

Don't give a fuck about this

My life or any other

Just go away and let me hang

Impossible to forgive, forget it, murderer

I'm in control Living a lie

Make you pay at all cost for this

Love sick

Bullshit

Bring it Decisions making themselves

I don't need you

Thorns in my side

So I die No one

No one could ever understand

My life's exhausted

No one

No one could ever understand

This life IMN Determined

To bring you all down with me

Break you

Beat down

No more fucking empathy

From me, for you

Fed up

I've had enough

Duality

My war

Existence

Instigated controversy

Lay down

Sell out

So wrong Drag the blade and go away

I stand, cold cruel and lost

Take me I'm ready No one

No one could ever understand

My life's exhausted

No one

No one could ever understand

Pressure constricting

So hard
Like a stone
Fight hard
Break bones breakNo one
No one could ever understand
This life IMNYour pressure
My time
Eroding
My life
Fight for your honesty
Fight for integrityAll work and no play
All work and no play
All work and no play waiting
All work and no play
All work and no play makes me
Sick!I want to eat a bullet
Carve myself
Beat my face
Catonic
Dig my brain
No pain
Suffocate
Stomach aches
Don't give a fuck
I'm out, I'm done
Fuck this shit
You've dug the hole
I'm lying inNo one could ever understand
No one could ever understand
Fight for your honesty
Fight for integrityNo one
No one could ever understand
My life's exhausted
No one
No one could ever understand
Pressure constricting
So hard
Like a stone
Fight hard
Break bones breakNo one
No one could ever understand
This life, IMNMy world
My rules
My nooseMy world
My rules

Fuck youMy world
My rules
My nooseMy world
My rules
Fuck you
