

Nikita

Vikingarna

Hey Nikita is it cold
In your little corner of the world?
You could roll around the world
And never find a warmer soul to know Oh I saw you by the wall
Ten of your tin soldiers in a row
With eyes that looked like ice on fire
The human heart a captive in the snow Oh Nikita you will never know anything about my home
I'll never know how good it feels to hold you
Nikita I need you so
Oh Nikita is the other side of any given line in time
Counting ten tin soldiers in a row
Oh no, Nikita you'll never know Do you ever dream of me?
Do you ever see the letters that I write?
When you look up through the wire
Nikita do you count the stars at night? And if there comes a time
Guns and gates no longer hold you in
And if you're free to make a choice
Just look towards the west and find a friend Oh Nikita you will never know anything about my home
I'll never know how good it feels to hold you
Nikita I need you so
Oh Nikita is the other side of any given line in time
Counting ten tin soldiers in a row
Oh no, Nikita you'll never know Oh Nikita you will never know, never know anything about my home
I'll never know how good it feels to hold you
Nikita I need you so
Oh Nikita is the other side of any given line in time
Counting ten tin soldiers in a row
Oh no, Nikita you'll never know Nikita, counting ten tin soldiers in a row
Nikita, counting ten tin soldiers in a row
Nikita, counting ten tin soldiers in a row
Nikita, counting ten tin soldiers in a row
