Imagine

Human Nature

Imagine there's no heaven It's easy if you try No hell below us Above us only sky Living for today... Imagine all the people (Imagine) Imagine there's no countries It isn't hard to do (so hard hard to do) No religion too Imagine all the people Nothing to kill or die for You may say I am a dreamer (I am a dreamer) (But I am not the...) But I am not the only one (I am not the only one) Living life in peace...(oh...Living in peace) I hope some day you'll join us (Imagine all the people) And the world will live as one (Imagine if you can...) Imagine all the people Sharing all the world...(Sharing the world) I hope some day you'll join us (Imagine all the people) (But I am not the...) But I am not the only one (I am not the only one) You may say I am a dreamer (I am a dreamer) And the world will live as one I hope some day you'll join us (Imagine all the people...) And the world will live as one (Living as one...)
