Crystal Gypsy

Sebadoh

Fatal missy, daring you to kiss me
Crystal gypsy, light my fireTonight I die to realize
I bury my shit deep inside
I suck up all you think and I'm thirsty
Convoluted hell run dryFatal missy, daring you to kiss me
Crystal gypsy, light my fireWhen it starts to suck and I'm stuck here
Carrying me far away
I just send a wink to the trustee
Check's in the mail, it's time to pay
