

# Crystal Gypsy

## Sebadoh

Fatal missy, daring you to kiss me  
Crystal gypsy, light my fire Tonight I die to realize  
I bury my shit deep inside  
I suck up all you think and I'm thirsty  
Convoluted hell run dry Fatal missy, daring you to kiss me  
Crystal gypsy, light my fire When it starts to suck and I'm stuck here  
Carrying me far away  
I just send a wink to the trustee  
Check's in the mail, it's time to pay
