

Don't Wake the Baby

Jack Off Jill

Don't wake the baby
Step on its fuckin' head
You may be an asshole
I love you instead
Don't wake the baby
Step on its fuckin' head
You may be an asshole
I love you instead
Don't wake the baby
Shut up! You're waking the baby!
Shut up! You're waking the baby!
(Daddy feeds the scary clown
He likes me more with his pants down)
(The head is the prettiest part,
The body is the shittiest part)
Fuck you!
Don't wake the baby
Shut up, you're waking the baby
Shut up, you're waking the baby
Shut up
Shut the fuck up
