

The Lucky One (Slow Club Remix)

Au Revoir Simone

A dream of togetherness
Turned into a brighter mess
A faint sign my spoken best
Now, now Make way for the simple hours
No finding the time its ours
A fate or it's a desire
I know So I was the lycky one
Reading letters, not writing them
Taking pictures of anyone
I know So let the sunshine
So let the sunshine
So let the sunshine let it come
To show us that tomorrow is eventual
We know it when the day is done
