

My Desire

William McDowell, David Binion & Nicole Binion

Lord we come
With our hearts wide open
Lord we know
You have made us one
Lord
We are waiting
Anticipating
We are creating
A place for youLord we come
With our hearts wide open
Lord we know
You have made us one
Lord
We are waiting
Anticipating
We are creating
A place for you
My desire
Is to see
A move of God
A move in me
My desire
Is to do
All the things
He's showing me
Let us create
Create a place
Release your faith
Releasing faith
For God to move
So we will see
The power of God
And we will know
That he is God
We open our hearts to youLord we come
With our hearts wide open
Lord we know
You have made us one
Lord

We are waiting
Anticipating
We are creating
A place for youMy desire
Is to see
A move of God
A move in me
My desire
Is to do
All the things
He's showing me
Let us create
Create a place
Release your faith
Releasing faith
For God to move
So we will see
The power of God
And we will know
That he is GodLet us create
Create a place
Releasing faith
For God to move
So we will see
The power of God
And we will know
That he is GodLet us create
Create a place
Releasing faith
For God to move
So we will see
The power of God
And we will know
That he is God
