

Wish You Were Here

Eddie Fisher

They're not making the skies as blue this year
Wish you were here
As blue as they did when you were near
Wish you were hereAnd the mornings don't seem as new
Brand new as they did with you
Wish you were here, wish you were here
Wish you were hereSomeone's painting the leaves all wrong this year
Wish you were here
And why did the birds change their song this year
Wish you were hereThey're not shining the stars as bright
They've stolen the joy from the night
Wish you were here, wish you were here
Wish you were hereSomeone's painting the leaves all wrong this year
Wish you were here
Why did the birds change their song this year
Wish you were hereThey're not shining the stars as bright
They've stolen the joy from the night
Wish you were here, wish you were here
Wish you were here
