

# If Mary's There ('11 Acoustic)

**Brian Hyland**

I won't be there if Mary's there  
I'm still in love with her  
I couldn't bear to see her there  
I'd be alone and blue  
She'd be with someone new  
Without a care  
I won't be there if Mary's there  
I love her too much  
We'd be but just a kiss away  
And never ever touch It isn't fair to ask me there  
I know I'll only cry  
I won't be there if Mary's there  
I'll love her till I die I couldn't bear to see her there  
I'll only cry  
No I won't be there if Mary's there  
I'll love her till I die
