

# So Damn Lucky

## Dave Matthews Band

Advisory - the following lyrics contain explicit language:

Everything's different with my head in the clouds  
I hit this corner with my foot on the gas  
I started sliding, I lose it  
Everything's different just like that Oh my God, wait and see  
What will soon become of me  
Frozen heart, screaming wheels  
Does that screaming come from me? So damn lucky that you went on ahead  
You said, you said "I'll see you later"  
I heard what you said a few minutes later  
Now I'm sliding, everything's different again Oh my God, wait and see  
What will soon become of me  
This frozen heart, screaming wheels  
Does that screaming come from me?  
I'm dizzy from all this spinning Now I'm thinking that you did all you could  
When you said "My love, take it slowly"  
"Ok," is what I said Oh my God, wait and see  
What will soon become of me  
This frozen heart, screaming wheels  
Does that screaming come from me? Take me back, 'cause just before I was spinning  
Take me back, just before I got dizzy  
Take me back, amazing what the minute can do  
Just like you So, so, slide, up  
Around, around, around, around  
Up, around, around, around  
(Again)  
Around, around, around, around  
(Amazing what the minute can do)  
Around, around, around, around  
(Again)  
Around, around, around  
(Okay)
