

# Keep Looking

## Written Off

Some will tell you that you're wrong  
You do it all the wrong way  
Some will tell you that you're wrong  
That you don't know the way They enjoy cheapness don't show your weakness  
Don't let them bother you, no  
They enjoy cheapness don't show your weakness  
Oh no It's no use sitting down, don't walk round with a frown  
Oh no, keep looking  
It's no use sitting around with your head in your hands  
Oh no, keep looking Say let my life alone Some will tell you that you're wrong  
You do it all the wrong way  
Some will tell you that you're wrong  
That you don't know the way They enjoy cheapness don't show your weakness  
Don't let them bother you no  
They enjoy cheapness don't show your weakness  
Oh no It's no use sitting down don't walk round with a frown  
Oh no, keep looking  
It's no use sitting around with your head in your hands  
Oh no, keep looking Keep looking  
Keep looking Don't lay awake at night thinking about your worries  
Thinking about your problems  
Don't lay awake at night thinking about your worries  
Keep looking Don't lay awake at night thinking about your problems  
Thinking about your troubles  
Don't lay awake at night thinking about your problems  
Keep looking Keep looking  
If you never let it show they're never gonna know  
Keep looking  
If you never let it show they're never gonna know Keep looking  
Keep looking  
Keep looking
