

All I Want for Christmas Is You

Doug Stone

I was hangin' up my stockings Watching the snowflakes fall
The radio playing blue Christmas
And I thought I'd better give you a call
Well I know it sounds crazy but it's true
All I want for Christmas is you
I don't need no electric razor Don't give me no portable phone
All I want's a little piece of your heart
Baby won't you please come home
I'll be a good little boy if you do
All I want for Christmas is you
I bought a ton of mistletoe And I hung it all over the place
If your not home for Christmas baby It's gonna go to wast
You better stop and think it over
When you're making out your Christmas list
If you really want to make me happy
Give me something that I can't resist
I'll be a good little boy if you do
Well all I want for Christmas is you
Uh
I was hangin' up my stockings Watching the snowflakes fall
The radio playing blue Christmas
And I thought I'd better give you a call
Well I know it sounds crazy but it's true
All I want for Christmas is you
All I want for Christmas is you
All I want for Christmas is you
